

2026 ACADEMY OF NEUROLOGIC PHYSICAL THERAPY

Annual Conference

September 17-19th | Minneapolis, Minnesota

For the 2026 ANPT Annual Conference, we welcome submissions of any topic relevant to neurologic physical therapy, including but not limited to:

- a. Original research
- b. Evidence-based documents and practices
 - i. Review of evidence on assessments, interventions, or diagnostic groups
 - ii. Clinical practice guidelines, meta-analyses, systematic reviews, EDGE documents
 - iii. Implementation of evidence-based practices
 - iv. Employing evidence-based practices in specific practice settings (e.g., acute care, inpatient rehabilitation, outpatient, home health, education, etc.)
- c. Integration of evidence and guidelines into education
- d. Perspectives from the patient and caregiver lens
- e. Shared decision-making research, frameworks, or application to practice
- f. Interdisciplinary team approach to neurorehabilitation
- g. Telerehabilitation, including assessment and treatment
- h. Rehabilitation for patients with Covid-19, long Covid, and other Covid related sequelae

For specific questions relating to your topic of submission, please reach out to the ANPT Annual Conference Chairs. Rose Vallejo RMVallejo@salud.unm.edu and Erin Lampron, Erin.Lampron@quinnipiac.edu
