

## Did you know...

The Journal of Neurologic Physical Therapy (JNPT) is the primary peer-reviewed, indexed resource for advancing neurologic physical therapy practice through the dissemination of definitive evidence, translation of clinically relevant knowledge, and integration of theory into education, practice, and research.

### **JNPT is proud to announce our 2018 Impact Factor of 2.633.**

**JNPT ranks 5 out of 65 among Rehabilitation journals  
and 51 out of 197 among Clinical Neurology journals.**

#### JNPT has...

- over 8,000 followers on Facebook and Twitter.
- over 100,000 website visits in 2018.
- nearly 50% of visits to website come from outside the U.S.
- altmetric data on each article.
- institutional subscriptions in over 50 countries.
- an editorial board of internationally recognized experts
- video abstracts wherein authors describe their work.

The number 1 downloaded/viewed article from JNPT website in 2018 was:

A Core Set of Outcome Measures for Adults with Neurologic  
Conditions Undergoing Rehabilitation: A Clinical Practice Guideline.
