Neurology Section-APTA Partners Program

Are You Ready to be Connected?

With more than 3,500 current members, the Neurology Section is one of the fastest growing sections of the American Physical Therapy Association (APTA). Our mission is to serve providers and to advance evidence-based practice, education, and research in neurological physical therapy. Through dynamic and innovative leadership, our members are empowered to promote optimal recovery, wellness, and quality of life in individuals with movement dysfunction due to neurological disease or injury. This makes the Partner Status in the Neurology Section-APTA the ideal choice for professionals working or studying in the field of neurology.

Why Should You Become a Partner of the Neurology Section?

As a Partner of the Neurology Section you will receive the following benefits:

1. An annual subscription to the Journal of Neurological Physical Therapy (JNPT), a quarterly journal listed in MEDLINE, offering research articles, critical reviews, case reports, and special interest papers that contribute to the development and effective use of neurological physical therapy. Online access at www.jnpt.org, including podcasts of JNPT abstracts and commentaries are included.

2. Free optional membership in six SIGs with access to each newsletter, invaluable Web site resources at www.neuropt.org (e.g., Clinical Toolbox) and *Topics-of-the-Month* discussion to include:
 - Balance and Falls
 - Brain Injury
 - Degenerative Diseases
 - Spinal Cord Injury
 - Stroke
 - Vestibular Rehabilitation
3. Access to bibliographies, reference documents and compendiums on a variety of neurology topics.
4. Opportunity to attend the annual Combined Sections Meeting and other section sponsored regional courses at member discounted rates.
5. Join our listserve! With over 1,400 PT members from all over the world, our listserve is a wealth of information.

What are the other Benefits and Opportunities?

1. Opportunity to network with Neurological Certified Specialists (NCS).
2. Receive regular communications about legislative affairs, Topic-of-the-Month discussions, notification of abstracts being accepted for CSM, availability of current online JNPT issues, as well as course and conference registration reminders via the electronic membership newsletter.

How can You get Involved in Other Section Activities?

The Neurology Section is always looking for volunteers. We encourage you to offer your time and become involved. The rewards gained from involvement with neurological physical therapists will benefit your career growth and will also provide you personal gratification. We welcome the opportunity to acquaint you with our Section!

Who is Eligible for Partner Status?

Any physical therapist, physical therapist assistant who lives in a country other than the United States who is not eligible for membership in the APTA can join. In addition, partnership is also open to any professional working or studying in the field of neurology who would like to better advance evidence-based practice, education, and research in neurologic physical therapy.

How can You Join as a Partner?

A **Partner fee of \$100**, to cover a single year of benefits, must be submitted along with this application. This fee is required annually for each successive renewal of your Partner Status. Complete the attached application and submit with your form of payment.
