The policies stated below constitute a bona fide part of the Application & Contract for Exhibit Space. The exhibits are intended for educational and informational purposes to improve physical therapy education, practice, and research. They should complement the meeting and sessions by enabling registrants to see, hear, examine, question, and evaluate the latest developments in equipment, supplies, and services relevant to physical therapy. All material/equipment should be timely and relevant to physical therapy and should contain no inaccurate or misleading information. FDA Market Clearance: No product, apparatus, instrument, device, or drug that is the subject of litigation pending before the US Food & Drug Administration (FDA) may be exhibited. All exhibitors for which FDA market clearance applies shall have documentation from the FDA on all products being displayed available at the booth. The documentation should state the model and regulatory class of those products that have been determined to be medical devices, as defined by the Federal Food, Drug, and Cosmetic Act, Section 201(h). All products to be exhibited at ANPT Annual Conference must be identified on the application/contract and must include FDA market clearance status.

Academy of Neurologic Physical Therapy (ANPT) reserves the right to render all interpretations and decisions should any questions arise, and to establish further regulations as may be deemed necessary to the general success and well-being of the conference. ANPT may restrict exhibit materials that detract from the general character of the exposition. This reservation includes a person’s conduct, images, videos and anything of a character that may be objectionable to the exhibits as a whole. Exhibits should be presented in a manner that is consistent with the association’s policies on sexual harassment and nondiscrimination. All matters and questions not covered in these policies are subject to the final judgment and decision of ANPT.

Expulsion of, or restrictions placed on, an sponsor or exhibitor may not give rise to a claim for any refund of other conference expenses.

After June 15, 2023 a sponsor may cancel the agreement but no refunds will be provided. After July 15, 2023 an exhibitor may cancel the agreement but no refunds will be provided. If the sponsor or exhibitor fails to set up their booth before the start of the conference they will not be given the opportunity to exhibit at future conferences.

Cancellation of Conference: It is mutually agreed that in the event of the cancellation of the conference due to circumstances beyond ANPT control, including but not limited to labor disputes, fire, storms, riots, natural disasters, government actions, widespread medical or health emergency constituting an epidemic or pandemic or other cause(s) beyond ANPT control that would prevent its scheduled opening or continuance, then and there upon this agreement will be terminated, and ANPT, at its sole and exclusive discretion, shall determine an equitable basis for the refund of such portion of the sponsor and/or exhibit fees as is possible after due consideration promotions have already occurred.
