Academy of Neurologic Physical Therapy Partner

Are You Ready to be Connected?

With more than 6,000 current members, the Academy of Neurologic Physical Therapy is one of the fastest growing Academies of the American Physical Therapy Association (APTA). Our mission is to serve providers and to advance evidence-based practice, education, and research in neurological physical therapy. Through dynamic and innovative leadership, our members are empowered to promote optimal recovery, wellness, and quality of life in individuals with movement dysfunction due to neurological disease or injury. This makes the Partner Status in the ANPT the ideal choice for professionals working or studying in the field of neurology.

Levels of Partnership

BRONZE LEVEL (FREE)

1. **Neuro PT list-serve**, a Yahoo group with active, contributing professionals in the field of neurorehabilitation
2. **Neurology Academy E-news**, a biweekly publication featuring notification of Academy business, legislative issues, Special Interest Groups discussions, notification of abstracts accepted for Combined Academics Meeting, as well as registration reminders.
3. Access to the **Neurological Clinical Specialist (NCS) Resource List** and opportunities to network with NCSs.

Innovate

SILVER LEVEL (\$25)

All of the Basic Level benefits PLUS:

1. **Research In Review**, a quarterly email listing recently published research articles related to the field of neuroscience and free access to these articles from a variety of journals. Topics include areas of motor control, rehabilitation, clinical neurophysiology, and technology.
2. **Membership in seven Special Interest Groups** with access to each newsletter and invaluable web site resources at www.neuropt.org. Special Interest Groups include:
 - Assistive Technology/Seating & Wheeled Mobility
 - Balance and Falls
 - Brain Injury
 - Degenerative Diseases
 - Residency and Fellowship
 - Spinal Cord Injury
 - Stroke
 - Vestibular Rehabilitation

GOLD LEVEL (\$50)

All of the Basic and Intermediate Level benefits PLUS:

1. **Online access to Journal of Neuro-logical Physical Therapy (JNPT)** at www.jnpt.org, a quarterly journal listed in MEDLINE, offering research articles, critical reviews, case reports, podcasts, abstracts and commentaries, and special interest papers that contribute to the development and effective use of neurological physical therapy.
2. **Discounts** on Academy publications, continuing education courses, and the Combined Academy's Meeting pre-conference courses. Recent course topics include Parkinson Disease, Stroke, Vestibular Rehab, Neuroplasticity, and Concussion.

Communicate

How to get involved in Academy Activities?

ANPT is always looking for volunteers. We encourage you to offer your time and become involved. The rewards gained from involvement with neurological physical therapists will benefit your career growth and will also provide you personal gratification. We welcome the opportunity to acquaint you with ANPT!

Who is Eligible for Partner Status?

International physical therapy professionals, other professionals not eligible for APTA membership, researchers and scientist with an interest in neurology topics, industry partners, and members of the public are encouraged to join the ANPT Partners Program. When you join, you'll join an active network of physical therapy practitioners, educators, and researchers dedicated to the advancement of evidence-based neurorehabilitation in order to improve care and quality of life in persons with neurologic disease or injury.

How can You Join as a Partner?

It's easy - simply complete the application form! Bronze Level membership is free. Silver Level fee is \$25. Gold Level fee is \$50. These fees cover a single year of benefits, and must be submitted along with this application. The fee is required annually for each successive renewal of your Partner Status. Complete the attached application and submit with your form of payment.
