## STROKE SIG ARTICLE REVIEW

Academy of Neurologic Physical Therapy

## For all the brain nerds...

**We all know it is about the brain all the time.**

**Apparently, even Michaelangelo knew this as well.**

During this holiday season, enjoy some art from the Sistine Chapel.

Portion of the Sistine Chapel, Days of Creation, Day 6 showing Adam.

The central ellipse (a; upper left, outlined) from the Last Judgment. A midcoronal cross section of the brain (a; upper right) shows the location of lateral and third ventricles. Lines in the lower images (b) suggest relationships between specific parts of the fresco and coronal neuroanatomic cross sections.

**STUDENT CORNER**

Academy of Neurologic Physical Therapy

We had a question posed on the Stroke SIG Student Corner. Thank you!

What are some general guidelines/tips for rhythmic auditory stimulation use with post-stroke gait training?

You can find more great content at the [ANPT YouTube Channel](#). Stroke SIG has it's own content under Playlists

## Sign up NOW to run for ANPT Office!!

Serving in an ANPT or SIG leadership position is a great way to engage with the neuro community. Your involvement and leadership ensures ANPT will continue to grow and be innovative. Consider serving in one of the open positions and make note of the upcoming deadlines. As a member-driven Academy, we need you to help define our future!
